

The Totton College Award for Training and Development

DA Training and Consultancy

Business Contact: Lorna Carter-Blake

DA Training and Consultancy are a national training and consultancy centre that are accredited to deliver a wide range of qualifications and courses to meet the business needs. They specialise in the Business Administration, Customer Service, ICT, Housing, Management, Marketing, Digital Marketing and Team Leading sectors however their main business is sourced and funded in the local area.

DA Training & Consultancy understands that apprentices are fundamental to all businesses to help shape the future, they can bring a fresh attitude a new approach. As a training provider, they encourage their staff to attend various training courses and programmes, as well as giving them the time off to attend them. They are keen to improve personal development as well as their staffs skill set which helps to keep staff motivated and feel valued.

In the past 12 months, DA Training & Consultancy have delivered over 20 qualifications, apprenticeships to their staff, both long-term and short-term courses and with some of them doing several qualifications. This training is part of the free CPD and upskilling programme they have in place to ensure that all of their staff remain in touch with the latest developments within their sector, as well as expanding their knowledge.

Digital Marketing has become their biggest selling qualification and recently have had two of their own Digital Marketing apprentices working with the office team. One apprentice has remained with the company as a full-time member of staff and has switched sector, and is now studying business administration with DA Training.
